## Benefits for you

- Understanding the past, why you have acted the way you have.
- Understanding your present choices, natural or Spiritual state.
- A tool to filter life's major decisions.

The MGM (Motivational Gift MIX) is a free assessment tool and report that helps participants understand their motivational gifts based on Romans 12 in the Bible. The assessment's 100 questions help identify and rank all seven motivational gifts. The assessment takes about 15 to 20 minutes to complete. The assessment is mobile ready for smart phones and tablets.

The main PDF report contains key attributes of the participant's top gifts (up to 4) in an easy to read format including:

- ✓ Concerns, Likes, Needs
- ✓ Calling
- ✓ Strengths w/ Spiritual State
- ✓ Weaknesses w/ Natural State
- ✓ Scripture focus
- ✓ Scripture Goal Statement for each gift
- ✓ Job Recommendations
- ✓ Education Recommendations
- ✓ Debrief encouragement

A 2-page coach report provides easy access to scores for an advisor.

A 7-minute video report presents report information in an engaging and entertaining format. The video helps reinforce information found in the main report.
