## Training Seminars

Enhanced understanding  
of the MGM and how to use it

Encouragement/training seminars are offered through on-line webinars and as live events in Loveland Colorado.

Seminars are open to any Authorized Advisor at a nominal charge.

Our goal is to encourage and equip Authorized Advisors to debrief and encourage their MGM participants.

The MGM reports only the top two gifts of a participant. Training seminars equip the advisor to discuss all the top gifts of an MGM participant.

Seminars also provide an opportunity for advisors to share notes and acquired wisdom among themselves.
